

# Matthew West - Hope Returns

tom:

Intro: F C G C  
 (Ooh-ooh-ooh-ooh, ooh, ooh, ooh)  
 F C G Am  
 (Ooh-ooh-ooh-ooh, ooh, ooh, ooh)

[Primeira Parte]

So this is how it feels when standing strong  
 Turns into barely even holding on  
 The plans you had are shattered on the floor  
 And your fear tells your faith  
 There's no use in praying those prayers anymore

[Refrão]

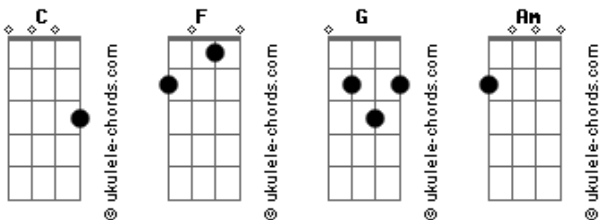

C When your world is crashing, when your knees hit the ground  
 Am When your heart is asking, "What do I do now?"  
 G Just when you think it can't get worse  
 F Hold on, that's when hope returns  
 C Like a new sun breaking through the darkest night  
 Am Like a whisper saying, "It'll be alright"  
 G I know you're tired, I know it hurts  
 F But hold on, that's when hope returns  
 F C G Am  
 (Oh-oh-oh-oh, oh, oh, oh)

And that's when hope returns  
 F C G Am  
 (Oh-oh-oh-oh, oh, oh, oh)

[Segunda Parte]

I know it's hard to see the other side  
 Through all the where are you's and don't know why's  
 And I know it looks like hope is in the grave  
 But He's still on the throne, so be still and know  
 That He's still rolling stones away
