

Mauricio Barcelos - Não Quero Viver Esse Adeus

Tom: C

Am Am F7M Gb Dm E Am F
 Vive nas varandas mornas dessa casa grande Se os rumos apartam destinos, não quero viver esse adeus

Bb7 E Am
 Não quero viver esse adeus

E7 Am
 Uma saudade a me encontrar silente

Am
 Um verso triste a falar por si

F7M Bb7
 Que vivem das lembranças tantas que guardo comigo

E7 Am
 E tantas vezes me servem de abrigo

C Am
 Quando me perco a esperar por ti

F7M Bb7
 Se canto todos meus avessos nessas linhas tortas

E7 Am
 É por que a vida me fechou as portas

C Bb7
 E da janela não se vê o sol

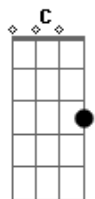

F7M Bb7
 Se teimo em me fazer posteiro desses desalentos

E7 Am
 É na ilusão de dissipar tormentos então rever as brasas do arrebol

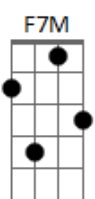

D7m G7 E7 Am
 A vida perde o tino, meus olhos pedem os teus

E7 Am Bb7
 Pra que o sorriso rebrote no rosto, de quem se vê com o coração no estio
