                                                                I am reminded that it's so much better
And can?t nobody love me like you
                                                                Your steadfast goodness
