tom: D (forma dos acordes no tom de C)
 Capotraste na 2ª casa

I feel Your goodness on the mountain
 And I saw Your love down in the valley
 And Your grace still surround me
 God You've been good to me
 God You've been good to me

And my souls sings
 My souls sings

With all my heart I love You Lord
 You're my first love You're my reward
 And through the years You've been good to me
 So good to me, so good to me

I have breath inside my body
 And I have live inside my bones
 And I cannot help but Praise you
 God You've been good to me
 God You've been good to me

And my souls sings
 My souls sings

With all my heart I love You Lord

You're my first love You're my reward
 And through the years You've been good to me
 So good to me, so good to me

I'm dancing on the rising sun
 To the hopeful future and the dreams to come
 And though seasons change, no I won't give up
 Oh You've never fail me, no not once

I'm dancing on the rising sun
 To the hopeful future and the dreams to come
 And though seasons change, no I won't give up
 Oh You've never fail me, no not once

And my souls sings
 My souls sings

With all my heart I love You Lord
 You're my first love You're my reward
 And through the years You've been good to me
 So good to me, so good to me
 So good to me, so good to me

I've got this joy and it won't let go
 Looked in its eyes and and it freed my soul
 I've got this joy and it won't let go
 My soul knows it
