

Maverick City Music - Take Me Back

tom:
Intro: E A E
[Primeira Parte]

I remember when I was young
And your voice shouting loud my name
Since that moment
Never heard it quite that way
Now that I'm older,
Could you say it again

[Segunda Parte]

I remember when I was afraid
Oh the hand I felt lead the way
For the first time in my life I felt safe
Now that I'm older
Would you lead me again

[Refrão]

When the storm is out on the ocean
And the violent wind get's to blowing
Oh take me back, back
All the way back
Oh take me back to my first love

[Terceira Parte]

I remember when I was blind
Until your love opened up my eyes
Oh my life, flooded with your light
Now that I'm older

Would you show me again
Oh would you show me again
[Refrão]

When the storm is out on the ocean
And the violent wind get's to blowing
Oh take me back, back
All the way back
Oh take me back to my first love

[Ponte]

You are real to me
I've known it from the start
There's no space between
The Heaven's and my heart

You are near to me
I've never been too far
And in the in between
You brought Heaven to my heart

[Refrão]

When the storm is out on the ocean
And the violent wind get's to blowing
Oh take me back, back
All the way back
Oh take me back to my first love

When it was all simple and loving was easy
When it was all simple and trusting was easy
