

# Max Costa - Muddy Water

Tom: D

<sup>D</sup>  
There's mud in the water  
<sup>D</sup>  
what could we have done  
<sup>D</sup>  
see the dead fish ashore  
<sup>D</sup>  
they're not the only ones  
<sup>D</sup>  
There's mud in the water  
<sup>D</sup>  
but it's not our fault  
<sup>D</sup>  
we still have no courage  
<sup>D</sup>  
to get things done

( D D D )

<sup>D</sup>  
There's mud in the water  
<sup>D</sup>  
nobody wats to talk about  
<sup>D</sup>  
see they live in ignorance  
<sup>D</sup>  
and some will cry outloud  
<sup>D</sup>  
There's mud in the water  
<sup>D</sup>  
nobody is to blame  
<sup>D</sup>  
while wating for solution  
<sup>D</sup>

we must face our shame

<sup>G</sup> <sup>F</sup>  
There's mud... mud in the water  
<sup>G</sup> <sup>F</sup>  
There's mud... mud in the water

<sup>D</sup>  
There's mud in the water  
<sup>D</sup>  
nobody wants to talk about  
<sup>D</sup>  
see they live in ignorance  
<sup>D</sup>  
and some will cry outloud  
<sup>D</sup>  
There's mud in the water  
<sup>D</sup>  
nobody is to blame  
<sup>D</sup>  
while waiting for solution  
<sup>D</sup>  
we must face our shame

<sup>G</sup> <sup>F</sup>  
There's mud... mud in the water  
<sup>G</sup> <sup>F</sup>  
There's mud... mud in the water  
<sup>F</sup>  
Somehow we must survive  
<sup>G</sup> <sup>D</sup>  
to what we call human nature  
<sup>F</sup>  
Somehow we must survive  
<sup>G</sup> <sup>D</sup>  
to our own anihilation
