

Max (Maximiano de Sousa) - Ilha da Madeira

tom:

Am

Am

Dm

Quando te deixei Madeira
 Eu trouxe como bagagem
 Saudades p'rá vida inteira
 E um beijo na bagagem.

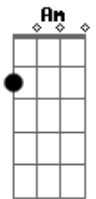

Agora mora o abrigo
 Desta Lisboa encantada
 Que quando sonho contigo
 Parece cantar comigo
 Esta canção magoada

[Refrão]

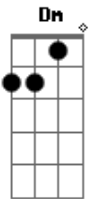

Minha Madeira querida

Tão pequenina e garrida
 Cheia de luz e de cor
 Ilha de encanto e beleza
 Linda terra portuguesa
 Por quem quis ser trovador
 Minha Madeira velhinha
 És um ninho de andorinha
 Vagando num mar sem fim
 No meu cantar de saudade
 Eu peço a Deus que me guarde
 Inteirinha para mim.
 La la la la la la la
 Minha madeira velhinha
