

# Max (Maximiano de Sousa) - Ilha da Madeira

tom:

Am

Am

Dm

Quando te deixei Madeira  
 Eu trouxe como bagagem  
 Saudades p'rá vida inteira  
 E um beijo na bagagem.

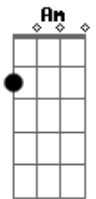

Agora mora o abrigo  
 Desta Lisboa encantada  
 Que quando sonho contigo  
 Parece cantar comigo  
 Esta canção magoada

[Refrão]

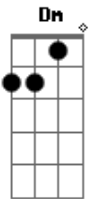

Minha Madeira querida

Tão pequenina e garrida  
 Cheia de luz e de cor  
 Ilha de encanto e beleza  
 Linda terra portuguesa  
 Por quem quis ser trovador  
 Minha Madeira velhinha  
 És um ninho de andorinha  
 Vagando num mar sem fim  
 No meu cantar de saudade  
 Eu peço a Deus que me guarde  
 Inteirinha para mim.  
 La la la la la la la  
 Minha madeira velhinha
