

Maya Hawke - Hold The Sun

tom:

B
[Verse 1]

B **Ab**
If I could, I would kiss you
Dbm **Gb**
The body doesn't lie
B **Ab**
I'd hold you like soft water
Dbm **Gb**
Holds the Sun against the sky

E **B**
I know that she loves you
Eb7 **Abm**
So I wouldn't dare to try
Dbm **Gb**
Hold you like soft water
B
Holds the sky

[Verse 2]

B **Ab7**
I'll turn in my lips
Dbm **Gb**
My heavy hands and say goodbye
B **Ab**
'Cause I can't hear you moan
Dbm **Gb**
And I can't hear you sigh

E **B**
I can't think about the singer
Eb7 **Abm**
With her hand against your thigh
Dbm **Gb**
When all I want's to hold you
B
Like the Sun holds the sky

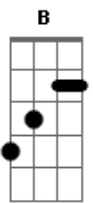

[Verse 3]

B **Ab7**
I see the night has crept through your hair
Dbm **Gb**
To settle in your eyes
B **Ab7**
And I know until I break it
Dbm **Gb**
The tension will only rise

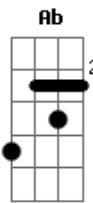

E **B**
So here I will declare it
Eb7 **Abm**
In a low but desperate cry
Dbm **Gb**
I wanna hold you like soft water
Abm
Holds the sky

Dbm **Gb**
I wanna hold you like soft water
B E B
Holds the sky
