

# Maya Isacowitz - Sparkle

tom:

**Bm**

I'm not where I'm supposed to be  
**A**  
 I'm going in circles  
**G**  
 Going in circles  
**Bm**  
 I should get away from here  
**Em**  
 There's a better place for me  
**Fm**  
 Better place for me

**Bm**  
 Trying to play my symphony  
**A**  
 But there's so much noise around  
**G**  
 So much noise around  
**Em**  
 Constantly fighting for space  
**Fm**  
 I need to clear my mind  
**G**  
 Need to clear my mind  
**A**  
 I want to be empty, be empty

**Bm**  
 A sparkle lights a fire  
**A**  
 I'm high, I'm a butterfly  
**G**  
 A blooming flower, but I am thirsty  
**Bm**  
 A drop of water  
**A**  
 And another drop of water  
**G**  
 Sunlight, I'll soon be rising

( **Bm A G** )

**Bm**  
 Who am I supposed to see?  
**A**  
 If I am in darkness  
 I am in darkness  
**G**  
 Constantly restless, worried  
**Em**  
 I got a gun to my head, a gun to my head  
**Fm**

**G** **Fm**  
 I got a gun to my head, gun to my head

**G** **A**  
 I want to be empty, be empty

**Bm**  
 A sparkle lights a fire  
**A**  
 I'm high, I'm a butterfly  
**G**  
 A blooming flower, but I am thirsty  
**Bm**  
 A drop of water  
**A**  
 And another drop of water  
**G**  
 Sunlight, I'll soon be rising

( **Bm A G** )

**Bm A G**  
 There's a better place for me  
**Bm A G**  
 There's a better place for me

**Bm**  
**A**  
 I'm high, I'm a butterfly  
**G**  
**G**  
 I am thirsty  
**Bm**  
**A**  
 And another drop of water  
**G**  
**G**  
 I'll soon be rising

( **Bm A G** )  
 (I'm a butterfly)

(Better place, better place for me)

**Bm**  
 A sparkle lights a fire  
**A**  
 I'm high, I'm a butterfly  
**G**  
**G**  
 A blooming flower, but I am thirsty  
**Bm**  
 A drop of water  
**A**  
 And another drop of water  
**G**  
 Sunlight, I'll soon be rising
