

Mayara Gonçalves - Magnificat

Tom: F
Intro: F7M G (Am7 Abm7 Gm7) D F7M C7M F7M C7M Dm7

A minh'alma glorifica o Senhor, e meu espírito se alegra
Em Deus meu salvador, em Deus meu salvador

Pois nesta humilde serva pôs seus olhos
As gerações hão de chamar-me bem-aventurada
Pois Deus todo poderoso em mim maravilhas fez

Santo é seu nome, santo é seu nome, é santo e eu canto outra vez
Santo é seu nome, santo é seu nome, Seu nome é santo meu Deus

A minh'alma glorifica o Senhor, e meu espírito se alegra
Em Deus meu salvador, em Deus meu salvador

F F C C

Sua misericórdia se estende
Entre as gerações sobre aqueles que o temem
Ele dispersa corações orgulhosos, Ele derruba o trono dos poderosos

Ele exalta os humildes, mata a fome dos famintos
Socorre seu povo, socorre seu povo

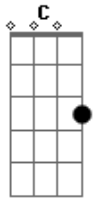

Lembrando sua própria misericórdia
Como havia prometido aos nossos pais

Em favor da descendência de Abraão
Em nosso favor para sempre

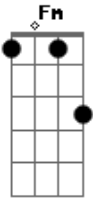

Glória ao pai, glória ao filho, Glória ao espírito santo
Assim como era no princípio, agora e sempre, amém

[Final] F7M G (Am7 Abm7 Gm7) D F7M C7M F7M C7M Dm7
