

Mayday Parade - When I Get Home You're So Dead

Tom: C

Am F
The words are coming I feel terrible
Dm
Is it typical for us to end like this
Am
Am I just another scene
F Dm
From a movie that you've seen 100 times
Am
Cause baby you weren't the first
F
or the last or the worst
Dm
And I've got to fill the blanks
in the past with a verse
Am
And we could sit around and cry
F Dm
but frankly you're not worth it Anymore

Am
On any other day I'd shoot
F
the boy but your simple toy
Dm
Had caused a scene like this
Am
Leave him hanging on the walls
Just a picture in the hall
F Dm
Like 100 more (like 100 more)
Am
Consider this as a gift as
F
you taste him on your lips
Dm
And he's making you scream

with his hands on your hips
Am
I hope he's leaving you empty
F
baby this is just a fix
Dm (hold) Dm (hold)
For such a simple little whore

(Repeat Chorus 1)

Bridge:
Am
And your name
F Dm
remains the same
Am
All that has changed
F Dm
is this pretty face
Am
So pull the trigger
It never gets closer
F
You want to start over
Dm (Bass line)
But never start over
Am
pull the trigger
It never gets closer
