

Mayhem - Symbols Of Bloodswords

```
Tom: A
                          / - slide up to ~ - vibrato
     - palm mute
   - slide down to
  - pull off
                          Suffixes for bend
  - tap
                          f - full bend h - half bend
                                                                  Here timming is bad, but notes are correct, listen to the song
                          q - quarter bend t - tap bend
- Hold bend r release bend
ph - pinched harmonic
                                                                  to improve the timming (Drumm's are a bit high on this part)
 - see comment
   - slight palm mute
                           - ghost note, sustained note
  - tremolo note
                           - Trill
                                                                      . Let Ring
Tuning E A D G B E
                                                                  Guitar 1:
Intro: Guitar 1:
Guitar 2:
                                                                  Guitar 2:
Guitar 1 & 2 :
                                                                  Both Guitars
   ("All The Stars In The North Are Dead Now...")
Both Guitars: Notes Between are played only for Guitar 1
                                                                  Guitar 1 (guitar 2 does G and F#, just listen to do it, i
                                                                  think is better
                                                                  i tab this without guitar 2 to easier view)
                                                                  FND
