

# McFly - Another Song About Love

tom:

**B**

[Primeira Parte]

**B**  
Life's great these days  
**Gb**  
No work, all play  
**Dbm**  
I got nothin' to complain about, no  
**E**  
Not a lot that I can sing about  
**B**  
I woke up just fine  
**Gb**  
Slept in 'til nine  
**Dbm**  
It's not exactly deep and meaningful, no  
**E**  
When you're writin' new material, so

**B**  
I could sing about heartache  
But it ain't broke  
**Gb**  
Sing about addiction  
But I don't smoke  
**Dbm**  
I could feel the kinda song coming on  
Everyone can sing along  
**E**  
Here comes another one

[Refrão]

**B**  
Another song about love  
**Gb**  
A song about love  
**Dbm**  
And it keeps gettin' better  
**E**  
You can sing it forever

**B**  
Love  
**Gb**  
A song about love  
**Dbm**  
And it keeps gettin' better  
**E**  
You can sing it forever

[Segunda Parte]

**B**  
I need some stories to tell  
**Gb**  
Stories that make me  
Seem awesome as hell  
**Dbm**  
I need a break-up  
But we always wake up and make-up  
**E**  
And that don't make a song that sells

**B**  
I could sing about the ocean  
But I don't swim  
**Gb**  
Sing about the trouble

That I never been in  
**Dbm**  
It's like a song you heard before  
Keeps you comin' back for me  
This is not unique  
**E**  
And definitely not original

[Refrão]

**B**  
Another song about love  
**Gb**  
A song about love  
**Dbm**  
And it keeps gettin' better

**B**  
Love  
**Gb**  
A song about love  
**Dbm**

You can sing it forever

[Ponte]

**Abm**  
Give me some pain  
**E**  
Enough to put words in my brain  
**B** **Gb** **G**  
To make this more than a love song  
**Abm**  
There's no denying  
**Eb**  
Music for cryin'  
**Gb**  
Is satisfying  
**Db**  
That's why I'm writin'  
N.c  
Another song about
