

# McFly - The Ballad Of Paul K

Tom: D

He's drinking cold Corona, feels like he's getting older  
 Now and noticing how he's finding  
 Grey hairs left in the shower, tattoos fade by the hour  
 And he can't understand these feelings  
 Why life is getting hom down,  
 he used to smile now he frowns, and cries inside  
 It's been this way for a while, and he can't seem to put things right  
 When life has been unkind  
 And you're losing your mind  
 Look in the mirror afraid of what you'll find  
 It feels like time's not on your side  
 He doesn't like to mention, applying for his pension  
 so his children don't know he's heading  
 into a mid-lifer cricis, he can't afford the prices

for the new kitchen floor he's buying  
 He's been a drunk of his life  
 two kids a dog and a wife, he doesn't know  
 And in the daytime he just sits and watches television shows  
 When life has been unkind  
 And you're losing your mind  
 Look in the mirror afraid of what you'll find  
 It feels like time's not on your side  
 Don't know wy but somehow, the ones you love you hate now  
 You feel down and blue  
 Look at what you've thrown away  
 They stood beside you all the way  
 Now it's too late, it's too late for you  
 When life has been unkind  
 And you're losing your mind  
 Look in the mirror afraid of what you'll find  
 It feels like time's not on your side
