

McFly - Bittersweet Symphony

Tom: A

Intro 2x: E E D A

'Cause it's a bittersweet symphony, this life

Try to make ends meet

You're a slave to money then you die

I'll take you down the only road I've ever been down

You know the one that takes you to the places

where all the veins meet yeah

No change, I can change

I can change, I can change

But I'm here in my mold

I am here in my mold

But I'm a million different people

from one day to the next

I can't change my mold

No, no, no, no, no

Have you ever been down?

Have you ever been down?

Well I never pray

But tonight I'm on my knees yeah

I need to hear some sounds that recognize the pain in me, yeah

You know the one that takes you to the places
where all the veins meet yeah

But the airways are clean and there's nobody singing to me now
yeah, yeah, yeah

But, I said no change, I can change

I can change, I can change

But I'm here in my mold

I am here in my mold

But I'm a million different people

from one day to the next

I can't change my mold

No, no, no, no, nooooo

Have you ever been down?

Said been down?

Have you ever been down? yeah

Have you ever been down?

Cause it's a bittersweet symphony yeah yeah

And it's a bittersweet symphony yeah yeah
