Intro: X 2
Verse 1
                  Dbm
Guess who just got back today
Them wild-eyed boys that had been away
Haven't changed, haven't much to say
But man, I still think them cats are crazy
                     Dbm
They were asking if you were around
How you was, where you could be found
Told them you were living downtown
Driving all the old men crazy
The boys are back in town, The boys are back in town
Solo/Riff
Verse 2
                                Dbm
You know that chick that used to dance a lot
Every night she'd be on the floor shaking what she'd got
                         F
Man when I tell you she was cool, she was red hot
I mean she was steaming
```

```
And that time over at Johnny's place
  Well this chick got up and she slapped Johnny's face
  Man we just fell about the place
  If that chick don't want to know, forget her
