

McFly - Broccoli

Tom: C

Am
Everything was going just the way
I planned the broccoli was done
She doesn't know that I'm a virgin
In the kitchen 'cause it's normally my mum
Dm
But then she called me
And that's when she said to me
Em D C G Am Cm
She wasn't coming 'round for tea
G
I should have known much better
Bm
But it's so hard, I can't forget her
Em D C G Am D
And she keeps playin' me around
G
But I'm, trying so hard to impress her
Bm
She puts me under so much pressure
Em D C G Am
I just wanted her to let me know
Cm G
She cares
Am
Blowing out the candles now
If that's the way she treats me, I'm a fool

Everyone will tease me now

When rumours start to spread around the school

They say that I'm a loser
