

# McFly - Do Ya

Tom: D

G  
Do ya, Do ya, Do ya love me  
Do ya need a little time  
Do ya, Do ya, Do ya want me  
Oh, to hold you when you cry  
Do ya, Do ya, Do ya, Do ya love me  
Don't wanna hear you say maybe  
Won't you tell me Do ya love me  
Cause I wanna know

C  
I'm makin' a list of things that i missed  
When ever we're far apart.  
The way that you kiss  
The taste of your lips  
I'm telling you from the heart  
`Cause baby, I just wanna know

Eb Ab  
Do ya, Do ya, Do ya, Do ya love me  
Do you fell it in your bones  
Do ya, Do ya dream about me  
Oh, when you're sleeping on your own?
