

McFly - Don't Know Why

Tom: D

Ab Gb Db Ab
 One by one, drinks are gone, do I have to stay?
 Gb Db Ab
 Hate the sound of one more pound as it rolls away.

Db Db Db7 Db
 Why did I need your proof when I knew the truth?

Ab Gb Db
 And I don't know why I just let it slip by me all the time.
 Ab
 I just wish you'd have tried

Ab Gb Db Ab
 I don't want to know your game, let alone her name
 Gb Db Ab
 No matter what you say to me, we are not the same

Db Db Db7 Db
 Why do you make me cry, try to justify?
 Db Db7
 Don't right your wrong with my mistakes, coz my head's held high!

And I don't know why I just let it slip by me all the time.

I just wish you'd have tried

Ab Gb Db
 And I don't know why I just let it slip by me all the time.

I just wish you'd have tried

Ab
 Dreams we have as kids all fade away

Now it's not the same?

(solo)

Ab Gb Db
 And I don't know why I just let it slip by me all the time.

I just wish you'd have tried

Ab Db
 And I don't know why I just let it slip by me all the time.

I just wish you'd have tried

Yeah!
