

# McFly - Falling In Love

Tom: **Bb**

(intro) **Bb Gm**

**Bb**

Every day feels like a Monday There is

No escaping from the heartache Now I

Wanna put it back together Coz it's

Always better late than never Wishing

I could be in California I wanna tell you when I call ya

I could've fallen in love I wish I'd fallen in love

**Eb F Gm**

Out of our minds and out of time

Wishing I could be with you To share the view

We could have fallen in love  
Woah oh woah oh oh

**Bb**

Waking up to people talking And it's

Getting later every morning And I

Realise it's nearly midday And I've

Wasted half my life to throw it away Saying

Everyday should be a new day

To make you smile I found a new way

I've fallen in love I could've fallen in love

**Eb F Gm**

Out of our minds and out of time

I wish I'd fallen in love

Wishing I could be with you To share the view

We could have fallen in love  
Woah oh woah oh oh

We could have fallen in love  
Woah oh woah oh oh
