

# McFly - Falling In Love

Tom: **Bb**

(intro) **Bb Gm**

**Bb**  
 Every day feels like a Monday There is  
 No escaping from the heartache Now I  
 Wanna put it back together Coz it's  
 Always better late than never Wishing

I could be in California I wanna tell you when I call ya  
 I could've fallen in love I wish I'd fallen in love

**Bb F Gm**  
 Out of our minds and out of time  
 Wishing I could be with you To share the view  
 We could have fallen in love  
 Woah oh woah oh oh

**Bb Gm**  
 Waking up to people talking And it's  
 Getting later every morning And I  
 Realise it's nearly midday And I've  
 Wasted half my life to throw it away Saying  
 Everyday should be a new day

To make you smile I found a new way  
 I've fallen in love I could've fallen in love  
 Out of our minds and out of time

Wishing I could be with you To share the view

We could have fallen in love  
 Woah oh woah oh oh

We could have fallen in love  
 Woah oh woah oh oh
