[Primeira Parte]

E
All of the Saturdays you walked out
Through the rain and made the
Dbm
Train for me
Gbm
My engine running in your driveway, didn't care, I didn't want
to

Leave

E
Listening to KISS and sharing

Headphones in the dark looking for

Dbm
Satellites
F#M

Smoking and drinking like we're grown up

Now we're grown up we

B
Can dance all night

[Pré-Refrão]

A
'Cause I know love is hard sometimes
Dbm B
Hearts they roll like thunder when they hit the ground
Dbm A
So let the summer rain fall down
B
Anything is possible with you around

[Refrão]

E
Once more for us
Dbm
Once more no giving up
A
We know tonight is all we're ever living for
B
We never wanna stop
E
Forever's not enough

[Segunda Parte]

We nearly lost each other running round the world following
Dbm
Different dreams
Gbm B
Waiting for hours just to see you for a second on a lonely
screen
E Dbm
Watching the sky without you I was lost but somehow I knew
where

To go

Gbm

Acordes

B
God gave us rock and roll so I could feel your soul and find
my

Way back home

[Pré-Refrão]

A
We get through the hardest times
Dbm B
'Cause we feel so electric when we work things out
A
So let the summer rain fall down
