

McFly - Friday Night

```
Tom: D
Intro Riff:
Verse:
Sleeping through the day 'cause I work all night
Get out the way things are coming a-live
Look over there, another fight
I guess I should've have seen the warning signs
Chorus: (Play main riff)
We could be together (Im not looking for a fight)
Change the world forever (just wanna make it through the
niaht)
Think Im gonna lose it, lose it, lose it
Think Im gonna lose it, lose it, lose it
Think Im gonna lose it
Verse 2:
The walls are growing ears, Im paranoid
No need to fear what you cant avoid
Dont let 'em in, dont let 'em out
I'll give you something you can scream about
Chorus: (Play main riff)
We could be together (Im not looking for a fight)
Change the world forever (just wanna make it through the
night)
Think Im gonna lose it, lose it, lose it
Think Im gonna lose it
Think Im gonna lose it, lose it, lose it
Think Im gonna lose it
```

Acordes

```
Bridge:
Bm G A
No, no, no, nothing's wrong with dreaming
Go, go, go you're dreaming all away
One love, one life, and thats enough to get you through the
night
Bm G A
Tomorrow's gonna be a brighter day
Hey, hey, hey
Think Im gonna lose it, lose it,
Think Im gonna lose it
Think Im gonna lose it, lose it, lose it
Think Im gonna lose it
(x2)
Chorus: (Play main riff)
We could be together (Im not looking for a fight)
Change the world forever (just wanna make it through the
night)
Make it all seem better (they're really giving me the eye)
Bridge:
Bm G A
No, no, no, nothing's wrong with dreaming
Go, go, go you're dreaming all away
One love, one life, and thats enough to get you through the
night
Bm G A
Tomorrow's gonna be a brighter day
Hey, hey, hey
Outro:
They come alive when I work the nights
I guess I should've seen the warning signs
```
