 Mmmhm (Oh-ohh) (Oh-ohh) Mmmhm (Oh-ohh) (Oh-ohh)
 A D
 Honesty, was all I ever wanted you to show to me,
 and all I ever needed, now you're gone from me,
 and how did this happen after so long.
 A D
 Finally, can we just have some time so you can talk to me,
 or can't you see,
 A
 That we've no time, to waste our lives,
 and I don't have all the answers.
 A D
 So I close my eyes, and I hope I'm doing right.
 A D
 You and me, in your head we were always gonna be happy,
 so are we nothing more than just a memory,
 so wipe away those tears and go be strong.
 A D E
 I hesitate, to tell you what im feeling,
 baby, I'm afraid what to say.
 A D
 That we've no time, to waste our lives,
 and I don't have all the answers.
 A D
 So I close my eyes, and I hope I'm doing right.
 Yeah
 E Gbm
 Nothing ever changes when we make up,
 E Gbm
 you just stay at my house when I'm in town.

E D
 So inevitably we must break up.
 E (open. One strum)
 Sorry if I'm outta line..
 A
 But we've no time, to waste our lives,
 and I don't have all the answers.
 A D
 So I close my eyes, and I hope I'm doing right.
 A
 But we've no time (we've no time)
 (Oh-ohh)
 To waste our lives
 (Oh-ohh)
 D
 And I don't have all the answers
 (Oh-ohh) (Oh-ohh)
 A
 So I close my eyes (close my eyes)
 (Oh-ohh)
 D
 And I hope I'm doing right
 (Oh-ohh) (Oh-ohh)
 (Oh-ohh)
 A
 (We've no time)
 (Oh-ohh)
 (To waste our lives)
 (Oh-ohh)
 D
 (And I don't have all the answers)
 (Oh-ohh) (Oh-ohh)
 A
 (So I close my eyes)
 (Oh-ohh)
 D
 (And I hope I'm doing right)
 (Oh-ohh) (Oh-ohh)
 (Oh-ohh)
