McFly - Honky Tonk Women

I can't even remember where I got this song from, but here's for the ones who do have it. I'm still figuring out the intro and solo-ish part, but here are the chords, cause they're not that hard to play.

[Verse1]

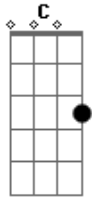

<sup>G</sup>  
I met a gin-soaked barroom queen in <sup>C</sup>Memphis  
<sup>G</sup> She tried to take me upstairs for a <sup>A</sup>ride <sup>D</sup>  
The <sup>G</sup>lady had to heave me across her <sup>C</sup>shoulder  
But I just can't seem to drink her off my <sup>G</sup>mind

[Chorus]
