

## McFly - III Be Ok

```
Tom: G
                                                               Try your best to make it through the day..
TNTRO
                                                               Oh just tell yourself, aaahhhhh
                                                               I'll be ok.
When everything is going wrong and things are just a little
                                                               You're not alone (You're not alone)
                                                               You're not alone (You're not alone)
It's been so long now you've forgotten how to smile
                                                               You're not alone (You're not alone)
Overhead the skies are clear but it still seems to rain on you
And your only friends all have better things to do.
                                                               Just tell yourself, aaahhhh I'll be ok
When your down, and lost, and you need a helping hand!
                                                               Oh just tell yourself, aaahhhh I'll be ok
When you're down, and lost along the way.
                                                               Won't you tell yourself, aaaaaaaaahhhhhhhhhhh
(play this on 'way')
                                                               When you're down, and lost, and you need a helping hand
                                                                          G
Oh just tell yourself, aaaahhhh,
                                                               When you're down, and lost along the way.
I'll be ok.
                                                               (play this on 'way)
Now things are only getting worse and you need someone to take Try a little harder
the blame
When your lover's gone there's no one to share the pain.
(this is played during these first two lines)
                                                               Try your best to make it through the day..
You're sleeping with the T.V. on and you're lying in an empty
                                                               Oh just tell yourself,
                                                               aaahhhhh I'll be ok.
All the alcohol in the world would never help me to forget.
When you're down, and lost, and you need a helping hand
                                                                     G
                                                               aaahhhhh I'll be ok.
When you're down, and lost along the way.
(play this on 'way)
                                                                      G
                                                               aaahhhhh I'll be ok.
Try a little harder
                                                               (play this on 'aaahhhh')
Acordes
```
