Verso 1:
Been all around the world,
I've never met a girl,
That does the things you do,
And puts me in the mood,
To love you, and treat you right,
So come here, and close your eyes,
Lie back, release your mind,
And let the world fall down when I'm by your side.
    Gbm Abm A Abm
I'll be your man through the fire,
And I'll hold your hand through the flames,
   Gbm Abm A Abm Gbm
I'll be the one you desire,
Honey, 'cause I want you to understand,
    Abm Gbm E
I'll be your man.
    Abm Gbm E
I'll be your man.
Verso 2:
I can lay with you for days,
And years can pass away,
```

```
There's lipstick on my face,
And I love the way you taste.
And I'm right here, so lock the door,
Because you need me, but I need you more,
And I don't care, about your mistakes,
Because they all went away when I found you Katie.
