

# McFly - Love Is On The Radio

Tom: G

Intro: G D

I was alone and my stomach was twisted  
 I can get up now, the dark clouds have lifted  
 Back in the old life Before you existed  
 I couldn't see right, my windows were misted

Except that one word made me feel much better  
 Starts with an L and it's got four letters

Things are looking up, looking up  
 There's magic everywhere you go  
 Strangers stop and say hello, hello, hello, hello  
 So turn it up, turn it up, hey

As loud as you can make it go  
 'Cause love is on the radio  
 Intro: G  
 Now that I've found you my heart's beating faster  
 We could be happy forever and after

We could be married like Mrs. And Mr.  
 We'll have a son and we'll give him a sister

Just one thing holding us together  
 A four-lettered word that'll last forever

C G D

Things are looking up, looking up  
 There's magic everywhere you go  
 Strangers stop and say hello, hello, hello, hello  
 So turn it up, turn it up, hey  
 As loud as you can make it go  
 'Cause love is on the radio

(Intro)

Love is on the radio  
 Love is on the radio (Turn it up, turn it up)  
 Love is on the radio (Turn it up, turn it up)  
 Love is on the radio (Turn it up, turn it up)  
 Love is on the radio (Turn it up, turn it up)  
 Love is on the radio (Turn it up, turn it up)  
 Love is on the radio (Turn it up, turn it up)  
 Funny how one thing led to another  
 You came along, filled my days with color  
 And it's been an everlasting summer  
 (pausa)  
 Since we found each other

Things are looking up, looking up  
 There's magic everywhere you go  
 Strangers stop and say hello, hello, hello, hello  
 So turn it up, turn it up, hey  
 As loud as you can make it go  
 'Cause love is on the radio  
 Play it till the speakers blow  
 Listen till your ears explode  
 'Cause love is on the radio
