Makin' love makin'love makin'
I don't have much in the way of possesions or money
My empty pocket and wallet have seen better days
But I think to myself
What am I so worried of
                  Am E C Db D
'Cause if we're not making money
we might as well be making love
I'm working day after day just to pay of the taxman
Counting the pounds and the pennies as they roll away
But I think to myself
I'm good with what I've got
                Am E C Db D
'Cause if we're not making money
babe we should be making love
I can't afford the things you adore and I'm sorry \,
                       A7
But big diamond rings don't mean anything
 D D D D7 D7 D7
We're making love on the floor
na na na na na na na na
The best thing in this life is love and it's totally free
