

McFly - My Tvr

Tom: A

(D A E)
 Ooh ooh ooh
 Ooh ooh ooh
 Ooh ooh ooh
 Ooh ooh ooh

I've got a girl I love
 I took her to the cinema
 And on the way back home
 She asked if she could drive my car

Well she can shrink my clothes
 Or break a string on my guitar
 But I swear (She will never) drive my TVR
 (She will never) Never ever get that far

(D A E)
 (Ooh ooh ooh)
 Never get that far
 (Ooh ooh ooh)
 No

She gives me good vibrations
 I like the way she makes me feel
 But I don't have the patience
 To let her hold the steering wheel

Out of all my girlfriends
 Oh she's the prettiest by far
 But I swear (She will never) drive my TVR
 (She will never) Never ever get that far

(D A E)
 (Ooh ooh ooh)
 Never get that far
 (Ooh ooh ooh)

Streamlined car staring up the street
 Burning rubber, she's a mean machine
 And I make her scream
 When the lights go green

(D A E)
 (Ooh ooh ooh)
 When the lights go green
 (Ooh ooh ooh)
 Oh yeah
 (Ooh ooh ooh)
 (Ooh ooh ooh)

Out on the country road
 She yelled at me to hit the brakes
 She said "I'm walking home
 And I don't care how long it takes"

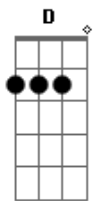

Well then the engine died
 And I was stranded in the dark
 Then I knew (I shoulda let her) drive my TVR
 (I shoulda let her) After all it's just a car
 (Three little letters) The reason why she broke my heart

(D A E)
 (Ooh ooh ooh)
 She broke my heart
 (Ooh ooh ooh)
 Oh yeah
 (Ooh ooh ooh)
 (Ooh ooh ooh)
