Here's another song for the radio

E Dbm B  
Life isn't fair for the people who care

A Abm Gbm E  
Stick your nose in the air and that's how you go far

E Dbm B  
So go tell your lovers, your fathers and brothers

A Abm Gbm E  
Your sisters and mothers how lucky they are

E A B  
Light speed, out of my mind

E A B  
I'm hurt, but I'll be fine

Dbm B A Abm  
Put your fist in the air, raise your voice and declare

Gbm A  
Singing "We don't care" (We don't care!)

B  
We don't care (We don't care!)

A E  
So here's another song for the radio

A Dbm  
And here's another line from the heart

A E Dbm  
So don't pretend you hate us as you sing along

Gbm B E  
'Cause we all look the same in the dark

E Dbm B  
L.A temptations, or music sensations

A Abm Gbm E  
There's great expectations that weigh on our heads

So here's to the liars who dream and conspire

A Abm Gbm E  
Against the admired, we hope you drop dead

E A B  
Light speed, out of my mind

E A B
