

McFly - Party Girl

Tom: **E**

(acordes na forma do tom **C**)
Capostrate na 4ª casa
(Capo 4ª casa)

(intro)

Ooh oh oh
Oh oh, oh oh oh oh oh oh oh oh
Ooh oh oh
Oh oh, oh oh oh oh oh oh oh oh

(verso)

The clock hit 12, as she entered the room
But if looks could kill then we all would be doomed
With just one kiss you're not able to move
From her venomous lips and the poison perfume
Yeah!

She started swaying so sexy
And looking at me
And it got me, caught in a mind control
This place is prison
I'm chained up
I give up and
I'm out of mercy
She wouldn't let me go

(refrão)

She said she likes to dance all by herself
'Cause she's a party girl
And she don't care for nobody else

She's in her own world
I love this little party girl (Ooh oh oh oh oh oh oh oh)
I love this little party girl (Ooh oh oh oh oh oh oh oh)
She's such a little party girl

(verso)

I, I gotta leave this room, 'cause it's starting to spin
There's no escape from this mess that I'm in
But you can't resist the temptation is in
So pull your collar up before she sinks her teeth in,
yeah

She started swaying so sexy
And looking at me
And it got me caught in a mind control
This place is prison
I'm chained up
I give up and
I'm out of mercy
She wouldn't let me go

(refrão)
