 If you wanna take a dip bring your trunks

 When we start to dim the lights  
 Gotta find a girl you like

 And you better hope she's already drunk

 If somebodys feelin sick  
 Get them in the garden quick

 Cos we dont want them to spoil all the fun  
 C G C  
 You know that everybody wants to party on a saturday night

 Or if you want another beer  
 Then theres plenty in the rear  
 G  
 No-one here to check if you're underage  
 C  
 And if you think you're havin fun  
 Then the partys just begun

 The next time they're away  
 All my buddies can stay
