Intro 2x: F Am G

I feel like I've been put on trial with you
 I know that's something's wrong and I'm the one accused
 When the verdict's in, it's us that's gonna lose
 I can't wait for you to finally hear the truth
 'Cause I shouldn't have to plead my case
 So much love to save

If you listen to the things that your friends say you're gonna be lonely
 How can you treat me like that when I give my all to you
 'Cause I haven't been messing around
 I wouldn't ever go out and do things that you don't want me to do

'Cause I can tell you right now that you'll never find evidence on me
 That's the truth (oh oh oh)
 That's the truth (oh oh oh)

I need a lawyer just to talk and who's telling you what to say
 They wish they had what we had and it's jealousy in the way
 'Cause I can't sit 'round and watch them build a case
 And there's no saving us now I'm just doing this to clear my name

'Cause I shouldn't have to plead my case
 So much love to save
 If you listen to the things that your friends say you're gonna be lonely
 How can you treat me like that when I give my all to you
 'Cause I haven't been messing around
 I wouldn't ever go out and do things that you don't want me to do

'Cause I can tell you right now that you'll never find evidence on me
 That's the truth (oh oh oh)
 That's the truth (oh oh oh)

'Cause I shouldn't have to prove my case
 So much love to save

If you listen to the things that your friends say you're gonna be lonely
 How can you treat me like that when I give my all to you
 'Cause I haven't been messing around
 I wouldn't ever go out and do things that you don't want me to do

'Cause I can tell you right now that you'll never find evidence on me
 That's the truth (oh oh oh)
 Yeah, That's the truth (oh oh oh)
