

McFly - The End

Tom: Db

(com acordes na forma de
Capostraste na 1ª casa
(capo 1ª casa)

(intro) F C G Dm Em F C G

Kicking off is the hardest part
Nothing's certain at the start
Letting go, so something can begin

Figure out how to get a life
Leave tomorrow, live tonight
Gotta throw, throw your heart right in
'Cause we all fall down

Everybody knows the end
When the curtain hits the floor
Everybody knows the end
Don't wanna get there wishing that you'd given more
It's not over, 'till it's over
So how do we begin?
When everybody knows the end
Yeah

I need to live with nothing fixed
Don't tell me what's gonna happen next
I'm alright, I like the way this feels
Leave behind all the things I miss
The next stop isn't where you think it is
'Cause tonight I'm riding off the rails
'Cause we all fall down

C)

Everybody knows the end
When the curtain hits the floor
Everybody knows the end
Don't wanna get there wishing that you'd given more
It's not over, 'till it's over
So how do we begin?
When everybody knows the end

Is where you hope you never say
"I could have done it better"
And I'm gonna keep what counts and throw away
What doesn't really matter and I wanna die (I wanna die)
On the highest height (on the highest height)
It's not over (it's not over) 'Till it's over
I wanna stay here forever
'Cause we all fall down
(F C G)
Oh yeah
Oh, Everybody knows the end
When the curtain hits the floor
Everybody knows the end
Don't wanna get there wishing that you'd given more
It's not over, 'till it's over
So how do we begin?
When everybody knows the end, yeah
Everybody knows the end
Everybody knows the end
