

McFly - Touch The Rain

Tom: A

A
January,
D
In the souless valley
Dbm
Where the storm from south
E
Sends the people inside
A
Dead appliers,
D
Kills the awkward silence
Dbm
Yeah, Where four generations
E
all run to the world
D
Whoah, when it starts to pour,

D
Gbm E
Get out and touch the rain
D
Where rivers start to flow
Gbm E
Get out and touch the rain
D
When roses hit the floor
Gbm E
Get out and touch the rain
D
You gotta change the storm
Gbm E
Get out and touch the rain.

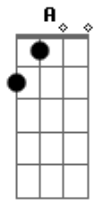

A
You spend a lifetime waiting,
D

Tomorrow chasing,
Dbm
With a cracked open shell of
E
Somebody you love
A
In the graveyard hour,
D
The wind strikes and takes the power,
Dbm
Its those gods crying out for you
E
To touch the tears
D
Woah, when it starts to pour,

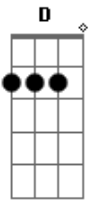

D
Gbm E
Get out and touch the rain
D
Where rivers start to flow
Gbm E
Get out and touch the rain
D
When roses hit the floor
Gbm E
Get out and touch the rain
D
You gotta change the storm
Gbm E
Get out and touch the rain.

A
Eh-oh-oh oh oh
A
Eh-oh-oh oh oh
A
Eh-oh-oh oh oh
A
Eh-oh-oh oh oh
