

McFly - Ultraviolet

Tom: G

INTRO

Nothing goes to plan
It's all a game of chance they say in Wonderland
There's magic in the air
A tragic love affair that I don't understand

CHORUS

G A D A Bm
These summer girls are really something else
G A D
Our lives are short but the nights are long

VERSE

D7
Mrs halloween
D D7
Is drinking at the bar again in New Orleans
G
She throws another dart

D
It narrowly avoids my lonely broken heart
D7
Torn apart

G A D A Bm
These summer girls are really something else (it won't be long)

G A D
Our lives are short but the nights are long

C G D
The nights go on and on

C G D
The nights go on and on

C G D
The nights go on and on

Bm
So pinch me I must be dreaming

A
My life has lost all its meaning
G A D

But i like the way I'm feeling now

Bm
Kissing her lips at midnight

A
Under the stars and moonlight

G A D
But i never thought we'd be this wrong

C G D
The nights go on and on

C G D
The nights go on and on

C G D
The nights go on and on

VERSE

D7 D7

She's looking good tonight
I love the way she glows in ultraviolet light
Intoxicate my mind
I know that love is blind
And I'm not seeing right

D7
I'm not alright

G A D A Bm
These summer girls are really something else (it won't be long)

G A D
Our lives are short and the nights are long

G A D A Bm
These summer girls are really something else (it won't be long)

G A D
Our lives are short and the nights are long

C G D
The nights go on and on

C G D
The nights go on and on

C G D
The nights go on and on

C G D
The nights go on and on
