Intro: **Bm**  
 Ooh-oooh-oooh-oooh

 Ooh-oooh-oooh-oooh  
 Ooh-oooh-oooh-oooh, ooh, ooh

[Primeira Parte]

**Bm**  
 Sunset drinking, laid out in the field  
 Where we both grew up  
 And we drank too much

**Bm**  
 Closing time, getting thrown out of pubs  
 We weren't old enough  
 But it didn't stop us

[Pré-Refrão]

Loving you  
 Was never a choice  
 When I hear your voice, the rest is background noise  
 And if they hate on us  
 We'll leave 'em in the dust

[Refrão]

**Bm**  
 You to me are everything  
 I could ever want  
 We're wild and we're young  
 Th? sun shines down on the both of us  
 Two hearts beating as one  
 We're wild and we're young  
 Oh, believe me when I say it's all I ever want

We're wild and young

[Segunda Parte]

**Bm**  
 Waking up, wondering what we've done  
 And it hurts my head  
 Should we just stay in bed?

**Bm**  
 So I'm thinkin' 'bout you never leaving

Well, let's close it in  
 And make this a thing  
 [Pré-Refrão]

Yeah, 'cause loving you

Was never a choice  
 And when I see your face, the rest is just a haze  
 And if they hate on us  
 We'll leave 'em in the dust

[Refrão]

**Bm**  
 You to me are everything  
 I could ever want

We're wild and we're young  
 Th? sun shines down on the both of us  
 Two hearts beating as one

We're wild and we're young

Oh, believe me when I say it's all I ever want  
 We're wild and young
