

Ewan Mcgregor - Come What May

tom:
 Never knew I could feel like this
 Like I've never seen the sky before

Want to vanish inside your kiss
 Everyday I love you more and more

Listen to my heart can you hear it sing
 Telling me to give you everything
 Seasons may change. Winter to spring
 But I love you until the end of time

Come what may
 Come what may
 I will love you
 Until my dying day

Suddenly the world seems such a perfect place
 Suddenly it moves with such a perfect grace
 Suddenly my life doesn't seem such a waste

It all revolves around you

And there's no mountain too high, no river too wide
 Sing out this song and ill be there by your side
 Storm clouds may gather and stars may col-lide
 But I love you until the end of time

Come what may
 Come what may
 I will love you
 Until my dying day

Oh come what may
 Come what may
 I will love you

Suddenly the world seems such a perfect place
 Come what may
 Come what may
 I will love you
 Until my dying day
