

# Megadeth - 99 Ways To Die Solo

Tom: **F**

Ayeh Guitarists!

Since I'm bored lately, I thought I'd transcribe some other solo pieces

Explanations: P - pull off  
 H - hammer on  
 R - release bend  
 / - slide up  
 \ - slide down  
 - upstroke (the pick moves towards the sky.)

"Pull")  
 v - downstroke (the pick moves towards the ground. "Push")

- let ring the indicated note, but don't pick

**BE CAREFUL WITH THE STROKE DIRECTION!!!**

=====

FIRST: **A** piece from the second solo of 99 Ways to Die

Note: Very fast!!!
