

Megadeth - 99 Ways To Die Solo

Tom: **F**

Ayeh Guitarists!

Since I'm bored lately, I thought I'd transcribe some other solo pieces

Explanations: P - pull off
 H - hammer on
 R - release bend
 / - slide up
 \ - slide down
 - upstroke (the pick moves towards the sky.)

"Pull")
 v - downstroke (the pick moves towards the ground. "Push")

- let ring the indicated note, but don't pick

BE CAREFUL WITH THE STROKE DIRECTION!!!

=====

FIRST: **A** piece from the second solo of 99 Ways to Die

Note: Very fast!!!
