

Megadeth - Liar

Tom: **A** then, at the end of the verse:

Standard Tuning

This is the intro. strike open **A** string at random. I've included the open **A** a few times here, but listening to the recording should help you get it.

play three times, then:

play twice, then the 2nd guitar enters:

repeat. the 2nd time, finish with:

verse:

then repeat the verse rhythm. This is the part where Dave starts singing "Make up your stories...":

"You're a liar, liar, liar!...":

that rhythm is also played during Dave's fast bashing lyrics. I've already tabbed the rhythms after that, so all that's left is the ending:

Acordes
