

## **Megadeth - Liar**

Tom: A then, at the end of the verse: Standard Tuning This is the intro. strike open A string at random. I've included the open A a few times here, but listening to the recording should help you get it. then repeat the verse rhythm. This is the part where Dave starts singing "Make up your stories...": play three times, then: play twice, then the 2nd guitar enters: "You're a liar, liar, liar!...": that rhythm is also played during Dave's fast bashing lyrics. I've already tabbed the rhythms after that, so all that's left is repeat. the 2nd time, finish with: the ending: verse:
