

Megan Davies - Safe And Sound

tom:
 Capotraste na 4ª casa

B (forma dos acordes no tom de G)

Safe and sound... Safe and sound

I could lift you up, I could show you what you wanna see

And take you where you wanna be

You could be my luck, Even if the sky is falling down

I know that we'll be safe and sound

We're safe and sound

I could fill your cup, You know my river won't evaporate

This world we still appreciate

You could be my luck, Even in a hurricane of frowns

I know that we'll be safe and sound

Safe and sound (safe and sound)

Safe and sound (we're safe and sound)

Hold your ground (we're safe and sound)

Safe and sound

I could show you love, In a tidal wave of mystery

You'll still be standing next to me

You could be my luck, Even if we're six feet underground

I know that we'll be safe and sound
