

Megan Nicole - Escape

tom:
 A (forma dos acordes no tom de G)
 Capotraste na 2ª casa

Run, run, run away
 Meet me in our hiding place
 Find me where we'll make our escape
 Come, come, come away
 We don't need them anyway
 Find me where we'll make our escape

Slow it down, 'cause I can't breathe
 So much noise, and I can't see
 I'm forgetting, who I am
 But can they see, that I'm not perfect

'Cause I'll never be what they want me to be
 I have to believe that I'm good enough
 I need to release, somewhere I can be free
 And find the me I used to know

So I'm going back to the place it began
 Under the tree, at the top of the hill
 We shared all our dreams, or not say a word
 That's where I know just who I am

Stay with me, just be still

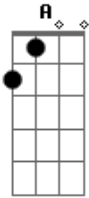

Feel it on, disappear, disappear
 Now I'm letting go, and we'll put on a show
 I'll finally believe that I'm good enough
 You made me strong, to know all along
 I am the me I used to know
 So I'm going back to the place it began
 Under the tree, at the top of the hill
 We shared all our dreams, or not say a word
 That's where I know just who I am (x2)

Run, run, run away
 Meet me in our hiding place
 Find me where we'll make our escape
 Come, come, come away
 We don't need them anyway
 Find me where we'll make our escape

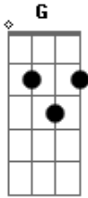

So I'm going back to the place it began
 Under the tree, at the top of the hill
 We shared all our dreams, or not say a word
 That's where I know just who I am

Run, run, run away
 Meet me in our hiding place
 Find me and we'll make our escape
