

# Meghan Trainor - Bad For Me (feat. Teddy Swims)

tom:

C

Please, don't make promises that you can't keep  
 Your best intentions end up hurting me  
 No matter what, I love you endlessly  
 I know we're blood, but this love's bad for me  
 I can't tell you what I wanna say  
 'Cause I'm, I'm afraid that you won't change  
 Sometimes, I just wanna scream in your face  
 But when you're in pain, I just walk away  
 And my  
 My therapist told me to write you a letter, hm, hm  
 She said if I did, it would make me feel better  
 But it wouldn't do shit even if I sent it  
 'Cause you won't get it, you're too damn selfish, hm, hm
