

Meghan Trainor - Close Your Eyes

Tom: G

Everybody is on the same page
 No new chapters
 Will never change

Everybody wants to be cool
 Yes they do
 I'm just like them
 But I won't be no fool

I guess I could waste all my time and my money
 Just trying to look right
 But it doesn't change who I am in my heart if I look like them

So I want you to close your eyes
 Sing to the world tonight
 And show them what's beautiful
 I don't care what they think
 No I'm not listening
 Cause I know I'm beautiful
 So close your eyes
 Gonna' show them...

Everybody is born to be different
 That's the one thing that makes us the same
 So don't you let them hurt try to change you

Don't let them make you into something you ain't

So I want you to close your eyes
 Sing to the world tonight
 And show them what's beautiful
 I don't care what they think
 No I'm not listening
 Cause I know I'm beautiful
 So close your eyes

Show the world the you inside
 Raise your voice and close your eyes
 Cause you are beautiful

Show the world the you inside
 Raise your voice and close your eyes
 Cause you are beautiful

So I want you to close your eyes
 Sing to the world tonight
 And show them what's beautiful
 I don't care what they think
 No I'm not listening
 Cause I know I'm beautiful
 So close your eyes
