

# Meghan Trainor - Kindly Calm Me Down

Tom: D

(com acordes na forma de Capotraste na 2ª casa) C)

Intro: Am Am C E

Verso 1:

Am C E  
So cold, alone, could You be my blinket  
Am C E  
Surround my bones, when my heart feels naked  
Am C E  
No strength, too weak, I can use some saving  
Am C E  
And You're love is so strong, like a pill, I take it,  
F Am Em  
I take it, I take it, like a pill - your love, i take it,  
F Am Em  
I take it, I take it, like a pill - your love, I take it

Refrão:

Am Dm C E  
When my world gets loud, could You make it quiet down  
Am F C E  
When my head, it pounds, could You turn down off the sound  
Am Dm C E  
If I lay in pain, by my side would You stay  
Am F C E  
If I need You now, would You kindly calm me down  
Am F C E  
Ooooh, ooooh, would You kindly calm me down  
Am F C E  
Ooooh, ooooh, would You kindly calm me down

Verso 2:

Am C E  
When my heart nap Your, would You kill my disease  
Am C E  
And when there is no cure, You are just what I need  
Am C E  
When I lose my mind, would You still remind me  
Am C E  
When I'm feelin' lost, would You come and find me  
F Am Em

I take it, I will take it, like a pill - your love, i take it,  
F Am Em  
I take it, I take it, like a pill - your love, I take it
