

Mel - 14 Years

Tom: G

Be a teenager some times is so boring
 I wanna press to the future boton
 This moment i just wanna be sleeping
 Tomorrow i'll maybe bad
 After i'll go out to my bed
 But now i don't know what i'm doing

Em
 All the problems in the world
 E
 And my girl problems to be worry

G
 Save the amazon, stop to menstruate
 Learn two languages even though I like them all

Don't make my mother sad
 Forget my ballet class, be a brazilian in Portugal

G
 Be a fat girl, don't have money,
 Don't like boys, really I liking them
 Go to the beach and use a bikini
 Have future friends and be nice with them
 Wanna buy a smartwatch, have to shave my legs
 Wanna buy a gamer computer, i am follow center left

Em
 All this and some more
 E
 I forgot to mention that the school board is too slow
 G
 But now i'm going to play the sims 4
 Em
 And never forget HAKUNA MATATA
